# One Last Reminder

- To participate in any club activities, you need to register on our website
- To register, you need to be a club member with the club password to get to the registration form under Activities
- If anyone wants to attend a meeting as a guest, they will have to e-mail to [memberships@imagesalberta.ca](mailto:memberships@imagesalberta.ca)

# Now we will shift to the Presentation

- I am going to Mute All – our presenter may have to then unmute himself
- The presenter will stop periodically to answer any of your questions
- If you have a question while the presenter is speaking, please type your question into the chat
  - Access Chat at the bottom of your Zoom screen
- I will record your questions and read them to the presenter to answer when he pauses.
- If you have a question after all chat questions have been addressed, then you can speak to ask your question.
- If you wish to speak during the paused portion, you can do so, by unmuting yourself by holding down the space bar while you speak or clicking on the microphone at the bottom of the Zoom page and unmuting your microphone

# Our Guest Speaker

- In professional life, he worked in several major leadership roles with Environment Canada – Forecast Operations
- Retired in 2012 and turned to his involvement in photography
- Images Alberta Camera Club Member for many years
- Volunteers as our Webmaster
  - His work has led to several awards and top placements as best large photo-club website
- Spends many hours in the prairies with his camera
- I introduce Steve Ricketts, who will tell you more about this passion of his.
