PERMISSION TO USE IMAGES

General Use: By **submitting** an image for IACC activities I **am agreeing** to its use in both print and electronic forms for IACC-related purposes; e.g., promotional materials, publications, website, for showing at club functions). I retain copyright and will be given credit for any submitted image displayed within and outside the club. If the club wishes to use any of my images that I have not specifically submitted, I will be asked for permission.

Competition Use: When the image is presented in the competition preview section on the website or used on competition nights, I understand that I will not be given credit, and non-winning competition images will not be used for other purposes. I **am agreeing** to the use of my **winning** images as in the general use section above and I understand that I will be credited.

IACC recommends that the photographer obtain a model or music release for presentation and publication purposes prior to submitting an image or slideshow. The photographer, not IACC, is responsible for any related legal issues.

Images of Club Members during Club Activities: If I do not wish an image of myself to be taken, I will let the club or the photographers at an event know. I understand that the club will do it best to respect my wishes but cannot guarantee that my face will not be visible.
